## Manufacturer's Certificate

For the IP protection category of aluminium boxes manufactured by the company Alubox.com (Wiberg & Wiberg ApS) no third-party certification is available.

According to the production experience and the tests carried out by the manufacturer, it can be stated that the aluminium boxes fulfil the category IP54 as follows:

5 – Protected from limited dust ingress. The ingress of dust is not totally prevented but it shall have no harmful effect.

4 – Protected against splash water from any direction. Leakage might occur but it shall have no harmful effect.
